To Whom It May Concern:

I am writing this letter to share that \_\_\_\_\_ does not have medical coverage or DSHS medical coupons to be able to obtain glasses. She also does not have funds to pay for an exam and purchase glasses. \_\_\_\_\_ is in need of an eye exam as she has been getting headaches when she reads. She would greatly appreciate your assistance in having an eye exam to find out if she is getting headaches because she needs glasses. Thank you for any support you are able to offer.

Our non-profit tax number is 91-108-1685. Please do not hesitate to contact Womencare Shelter staff if you have any questions regarding this letter.

Sincerely,
